

I listen to K-Love radio station for it's up lifting experience.  
I know several persons that listen to K-Love and say it really helps them  
through the day as well.  
I believe that K-Love should be kept as it is so the ENTIRE public can enjoy  
it's rewarding experience should they choose to do so at any given time of day  
or night.  
Thanks for listening to my comment,  
Sincerly,  
Mike Webb
